

# CDW DELIVERS **IT** SERVICES AND SOLUTIONS TO DRIVE COMPETITIVE ADVANTAGE. OUR **INTERNATIONAL** REACH WILL **ACCELERATE** YOUR SUCCESS

CDW is a leading multi-brand technology solutions provider to business, government, education and healthcare organisations in the United States, Canada, United Kingdom and other international locations. We help our clients achieve their goals by delivering integrated solutions and services that maximise their technology investment.

Integrating new technologies into your organisation demands a careful balancing act; cost, security and competitive advantage all need to be considered as part of a forward-thinking IT strategy. At CDW we are recipients of the industry's highest achievable accreditations. Our IT solutions and services are designed to offer you strategic advantages over your competitors, helping you to attract and retain more customers, while increasing your market share.

**At CDW we are People Who Get IT.**
