PREPARING FOR THE FUTURE OF POLICE AND CRIMINAL JUSTICE INFRASTRUCTURE & TECHNOLOGY

Join Dell EMC and CDW at the Modernising Justice Conference 2018 hosted on Stand 26 at the QEII Centre in London on the 12th June 2018.

Modernising Justice Conference 2018 is the national event that connects, informs and stimulates thought for senior leaders in courts, prisons, police, central government and probation services. Featuring senior keynotes, practical case studies and panel discussions; the event will encompass the latest developments in IT architecture, end-to-end data sharing, common platform programmes and innovative biometrics including digital forensics.

Dell EMC and CDW are leading a seminar session at 12:10 titled "Police and Criminal Justice Infrastructure - Solving today's challenges, while preparing for the future." The seminar will focus on the following areas:

- How are today's challenges being met?: A view across UK Policing
- How are emerging technologies and crime types creating new challenges?
- Insight into how smart infrastructure could improve:
 - Operational Policing
 - Digital Evidence Management
 - Compliance & Security
- A view into the future of data collection and evidential analysis

Visit Dell EMC and CDW on Stand 26 to discover how we can help your organisation prepare for the future of police and criminal justice infrastructure and technology.
