**JOIN CDW AND CITRIX TO EXPLORE THE  
BENEFITS OF RUNNING CITRIX ON AZURE**

**CDW would like to take this opportunity to invite you to the Citrix's Executive Briefing Centre for a workshop on how Microsoft Azure and Citrix can work together.**

This session is focused on how Citrix and Microsoft Azure work together and will cover:

- How to simplify management for both on premise and cloud based Citrix environments
- Offerings available from Microsoft and Citrix and how they meet different business requirements
- How Citrix's solutions allow you to consume only the resources you need
- A demonstration of the latest offerings from Citrix from their purpose built Executive Briefing Centre

The workshop will be interactive and questions to our experts are encouraged both before and during the event.

Places are limited. Please [click here](#) to register or contact your CDW Account Manager for further information.
